Thank you very much Johann and Marius

Inspector Noko (copied in the email) can also avail himself to meet you for assistance in the matter. Please do not hesitate to make contact with him if needed.

The issues found on this site (such as no PSIRA Cards, no DH Qualifications and/or no PAPA Licenses) are still rather common for us during our work and I am trying to restart the processes as previously practiced by Johann and myself.

Hope we can work together as well as we did in previous years. It is important for me that the younger inspectors start to build a working relationship and also learn the relation between our legislation and those of PSIRA.

Good Day Johann

Excellent work from the SPCA inspector.

Please book out to your team in the register for further investigation. Over and above addressing all the possible contraventions let us perhaps start to see where the dog is at currently. **Please expedite this matter.**
