35. If more than 2 strokes – why _____
36. Does dressing of animal take place while life signs still showing _____
37. Is the area used for bleeding cleaned between each animal _____

Comments _____

I did not get to do a thorough check at Johnson's Farm as I had to leave and take a humane stunner to Inspector Taljaard as he was going to have to stun a 1,7 ton bull. Thereafter, I was stationed at Moeratgani Livestock for the post stunning of bulls. Julian Van Der Zandt then went back to Johnson Farm to monitor the remaining slaughter.
