Comments by Inspector:

The inspection had been carried out by Peace and Bongi. They only inspected about 5 vehicles but there weren't any concerns noted.

One of the people who bought sheep there, informed them that they were slaughtering animals at Arum Lily Boerdery when the SPCA leaves the property. This was communicated with the staff at Arum Lily Boerdery.

Only one sheep slaughtered at this property. The person who bought the animal wanted to slaughter the animal there. This was an exception as they do not allow the slaughtering of animals there.

The staff educated members of public about the role the SPCA plays.
