Are there spiders, scorpions &/or insects? Not sold

General comments

On my arrival, I met with Ismail, who allowed me to the property, I have observed about 23 fish, one African Grey and the dog, all the animals appeared to be in a fair condition, There was water and food for the animals, the owner mentioned that he got rid of the most of the birds, the bird cage was not clean on the base, however the owner was still busy cleaning, we need to do a follow up on Wednesday.

Was a warning issued? No

Is a follow up necessary Yes

Date for follow up May 3, 2024
