36. Does dressing of animal take place while life signs still showing _____
37. Is the area used for bleeding cleaned between each animal _____

Comments _____

The site had stated on preinspection that they would start slaughtering on Monday 16 June but on my arrival it was noted that they had slaughtered +/- 8 sheep in the morning, this was noted by the number of skins that were stacked in the skinning area. This was discussed with Baka and he stated that people had come through without bookings that morning and he had accommodated them. There were no animals remaining on the site. ...
