Good (Box/Plastic Container) Fair (not enough) Unacceptable (None) Other

PROTECTION:

Animals not only have to be protected from theft but also from negative human influences such as the teasing and chasing of the animals.

Animal supervision Always under supervision
Interaction between the public and animals must be under strict supervision to ensure the animals are not teased, chased, frightened or abused in any manner.

Enclosure supervision Always under supervision
Adequate supervision must be provided to ensure that animals are not exposed, either deliberately or negligently, to harmful products such as cigarettes, litter, broken glass, potentially harmful foodstuffs or uncontrolled feeding programmes

Birds of prey Does have sufficient shelter
In areas where birds of prey may pose a threat, sufficient vegetation, such as trees and shrubs, under which the small stock can hide will minimise the threat and offer protection.

Fractions animals No bullying behaviour observed.
Animals must be protected from bullying and aggression from other animals, including those of their own specie. Fractious or aggressive animals must be housed separately or disposed of humanely.

Noise and people No noise made during inspection
Animals must be protected from unacceptable noise levels such as loud music, high frequency noises and fireworks. All animals should have an appropriate area in which they can retreat to away from direct contact with the public and other animals.

FEED ROOMS

Are the feed room/s clean? Yes
Feeded room swept away daily / no spillage on the floor(s) / unhygienic areas

Is roughage stored appropriately? Yes
Usually under roof and on raised poles to prevent damp and soiling (Feed bags may be stored outside, often and covered)

Are concentrates/mixes stored in clean sealed containers? Yes

Are feed drums labelled? No

Is there a feed board? No

Is medication stored separately from feed area? Yes

Record the type of feeds used Lucerne, Oat hay, Pellets, Mielies

Describe pest control? Poison

Describe animals individual diets? N/A

LICENCE - IN TERMS OF PERFORMING ANIMALS PROTECTION ACT

IF YOU ARE UNABLE TO OBTAIN A PHOTOSTAT COPY OF THE LICENCE (Schedule 2) AND CERTIFICATE (Schedule 3) NOTE THE FOLLOWING:
