

Leon Richter states under oath in English :

I am adult male with ID number 6112215031086 and 62 years old residing at number 14 Windmeul Park, St Michaels, Brackenfell with my contact cell number is 0825718344.

On 17 July 2024 at approximately between 15:45 to 15:55 i was at home sitting by my tv room's window. While I was sitting I heard a loud noise coming from the gate of my neighbor's staying next to me at no 12.

I do not have any view of the neighbor's front gate but I looked out the window and saw their Red VW golf standing infront of their gate. I noticed my neighbour's wife Luette standing next to their car holding her two children close to her. I did not think anything strange of the sound because their entrance gate usually makes a sound when the gate is opened or closed.

A couple of minutes later at about 15:57 I noticed that I received a whatsapp voicenote from another neighbor in the complex known to me as Shantelle asking me to give her a call back which I did.

She then informed me that she witnessed my neighbor Morne)who is driving a Red golf and residing next to me at no 12 Windmeul park, assaulting his black dog viciously a few minutes back while his wife and kids were standing outside the yard at that stage.

Shantelle requested a contact number to report the matter and I supplied her with contact details of SPCA.

I know and understand the contents of the above statement.

I have no objection to taking the prescribed oath.

I consider the prescribed oath to be binding on my conscience.
