Photos taken Yes Warning Issued No Warning Number _____

Comments by Inspector:

According to Sheena, she just recently moved to the property. She has not yet taken in any of Hawk Riverlands' dogs yet. She took 5 of Andre's personal dogs to the vet and will be returning them back to him today.

She said that she will be collecting two of the bigger breeds today and will be collecting more as when she can. According to her the plan is to move Hawk to this property over time.
