Good day

Hope you are well.

Is there perhaps any feedback on this?

There is still no process from what I can see. I can even send you pictures of how it looks where they keep the dogs.

The smell is unbearable. I live on 3rd floor and if I open my window the smell that come through there is bad.

For the state that the back yard is in...not evens sure if that poor animals gets clean water and food regularly.

I am following up because I love animals and having to see this breaks my heart.

Hope to hear from you soon.

Kind Regards,

Dail Adams
