Dear Dail

Thank you for your email.

Since your email on 25 January, our Inspectors have been to the property on 29 January, 07 February and 13 February. The owner has given compliance with what was requested. A follow-up inspection is scheduled for tomorrow to follow-up on the shelter issue that was outstanding.

Below is a photo from 07 February that was taken by the Inspector. We cannot remove the dogs because of the rubble, provided that there are no faeces etc. On each inspection the dogs did have access to water and they are provided with food.

You are welcome to send through photos. The Inspector will be there tomorrow.

Kind regards

Jaco Pieterse
