| Comments:       | <p>2024-03-26: I called the station on 021 506 2022 and asked to speak to WO Van Aardt. They said he was unavailable and were unwilling to give me his WA number. I left my number and the CAS no as reference and he will either call me back or I must call again tomorrow morning.</p> <p>2024-03-27:</p> <p>I called back this morning and managed to be put through to WO Van Aardt. He said they were unable to trace the owner of the dog (the suspect) due to the suspect moving addresses.</p> <p>I said I'd review the case and get back to him to see how we can assist. I asked if they were tracing the suspect and Van Aardt said they were but gave me a vague answer and I don't think they have even tried.</p> <p>I got his personal cell phone number: 073 583 4481. I sent a WA message after our call. Both the call recording and a screenshot of the WA has been uploaded. I must review the case and see how we can assist and push the investigation forward from our side.</p> |
