| Type:           | CASE NON-COMPLETION NOTE                                                                                                                                                                                      |
| Follow-Up Date: | 2024-02-12                                                                                                                                                                                                    |
| Comments:       | Based on my current case load I'm unable to do this case today and as per discussion with supervisor Carina it's not safe to go there alone, we currently working on a operation to get more people to assist |
