Type:	CASE DISCUSSION NOTE
Follow-Up Date:	
Comments:	Cape union mart has provided us with the PAPA LICENSE, there are no contraventions of the animals protection act 71 of 1962 and I am confident in closing the case as there is no further action to be taken, however they are in the process of adding the tarantulas to there PAPA LICENSE. I would advise that the facility inspector does a routine inspection in the near future, for now this case can now be closed.NFA
