Subject: Chaining

Good morning

Jack at 4 Kokkewiet Street, Morningstar - 187767
I saw Jack from the gate last night who was
pacing up and down and then sitting with his head lowered which I've seen past dogs do who are kept
on a short chain; he (and his kennel I assume) have been moved to somewhere else in the yard.

I had kids surrounding me so I was unfortunately unable to take a photo.
