Comments:	Met with Detective Njemla at SAPS Steenberg. Gave another Statement on the day of the incident. I however could give an account as to the chain of custody of the video of the dogfighting that was sent to the SPCA. The court requirements are the chain of custody of video, who sent the video, who received the video at the SPCA. I gave a statement regarding how the 5 boys were brought into SAPS Grassy Park and how the SAPS Officials handled the boys until I left the Police Station. I need to get back to Detective Njemla as the Chain of Custody for the video we received.
