Comments:	I spoke to Vanessa Stevens (082 450 2383), the 2nd witness who kept one of the injured dogs at Shoprite for Kevin to collect. She is willing to do a statement. I spoke to Robyn Hendrickse (072 804 7228), the main witness who recorded the footage. She is very sceptical to do a statement. I then spoke to Sgt Njemla (074 040 0617) to ask if we could possibly redact Robyn's information for the chain of custody. Njemla told me not to worry about their statements for now as the docket was already sent back to court. She will WhatsApp me when she gets it back from the state. Mark also mentioned that I should perhaps let Robyn know that we aren't looking to arrest the boys, just get them counselling and the help they need (she may then be more willing to provide a statement).
