Subject: INSP189895 RE: Complaints of neglected dog not appropriately addressed

Dear Ms Van Niekerk

Thank you for your email.

Inspectors visited the property on 20 July 2024 and again on 24 July 2024. It was two different Inspectors that attended. The dog was found to be slightly underweight. The owners were educated and a warning was issued to source more nutritional food and to deworm the dog. The owner has complied and a follow-up condition will be done later in August to ensure that the dog is gaining weight. The dog's condition did not warrant the removal of the dog.
Kind regards

Chief Inspector Jaco Pieterse
