Follow-Up Date: 2024-02-15
Comments: START COMPILING & FINALISING DOCKET CONTENT

I will focus on finalising this docket on Thursday , 15 February 2024 & Friday, 16 February 2024.

Prior to this docket, I have to prioritise finalising the docket content for INSP189862 & INSP190184 as if these cases aren't ready to be registered by 17 February 2024 & 22 February 2024 respectively, then it will be too late to prosecute the cases.

Cases become much weaker if they are only opened over 6 months after the offence has occurred . Although there is no time limit, it negatively impacts the investigation and collection of evidence by the IO which increases the chances of the court withdrawing the case due to insufficient evidence .
