Good day .

I am from Macassar . Currently in Macassar Village . Here is a grown man beaten his dog to a pulp every damn day . Her leg is broken due to the beatings she gets everyday. It is a boerboel . He beats her everyday and all day long . I just woke up and guess what ? He woke me up due to the noises of how she cries . I cannot take it anymore . I am tired . Personally , for me , who is a dog lover , that breaks my heart every single day. They haven't had her leg checked out yet. Macassar Village 6728 Nomsa Maphongwana street is their address . I would like to stay anonymous.

I have contacted the spca before for the abusive behaviour before but they did nothing. I hope you can take her from him because she is such a loving and friendly dog . She does not deserve this.

Greetings
