Hi Brian

See the attached warning as per the telephone conversation.

As you can see, we are prepared to remove the dogs but I think it would be in the best interest of the dogs if you can uplift them from the site soonest. Thank you in advance.

Good day Mr Mthetwa

We trust that this email finds you well.

The SPCA has received further complaints that the dogs are still left in the cages and not taken on patrols or for exercise. We have already issued a warning in this regard.

@renierwc@tacklehoffk9.com I believe the dogs are supplied by you? If so, please can we ask for your intervention. We would hate to apply for a court order to remove the dogs. I know you are always on top of things and will quickly intervene.

Please can we have compliance.

Thanking you.

Kind regards

Jaco Pieterse

Chief Inspector
