Follow-Up Date: 2024-11-15

Comments: I called Renier Badenhorst, 0787792653, of Tackle Hoff K9 (Western Cape).

When I explained the reason for my call, he apologized for not responding to our request. He mentioned that we requested PAPA Licences for, Tackle Hoff K9, Star Security and Royal Security. He does not yet have the PAPA licence for Royal Security as they are in the process of applying for theirs , and he said that Dr Cloete, of the State Vet's office would be able to give us more information regarding this .

He told me, during the conversation that he was attaching/emailing the PAPA Licences that he does have, and also the DH Certificates for Raven and Luke, who are at the address mentioned in this case.

We await his email and them decide how to proceed .
