Comments:	As arranged with Theo, I called Detective Petersen with Theo (to arrange the drop off of requested evidence). Detective Petersen said he was available but the case had been withdrawn due to mental capacity of the accused as she was declared mentally ill and she was institutionalised. When we asked for the names of the Prosecutors, the line kept breaking up. We then asked Detective Petersen if we can rather get the names from him over WhatsApp to which he agreed. The WhatsApp has already been sent and now I just await feedback. Thereafter, I will request the detailed reasoning from the Prosecutors directly.
