Type: CASE DISCUSSION NOTE

Follow-Up Date:

Comments: On the 21 of December 2023, I was at the property, I met with the owner of the dogs, I have observed two dogs, both dogs appeared to be in fair condition, except for the female dog that was heavily pregnant, I made an arrangement for the dogs to be picked up for sterilization.

While I was onto the property, there were two wooden shelters, and a water bowl, and the living environment was cleaned, I have uploaded the pictures taken on the 21 of December 2023.

I think we may close this case. NFA
