Good day, Joel

Thank you for contacting the Cape of Good Hope SPCA. We appreciate your care and concern for animals.

Where there is an animal welfare concern and contraventions in terms of the Animals Protection Act 71 of 1962, we will gladly investigate the matter. However, we require a physical location of where the animal can be found (exact address and/or GPS location and/or directions).

Without an exact location, we are unfortunately unable to investigate the matter.

Please provide us with the exact location so we can dispatch an Inspector to investigate the mentioned concerns.

We look forward to receiving further information from you so we can attend to the matter and assist the animals.

Thank you for caring.

Kind regards
Peace

hi there , not sure if you will get this but I visited a home in mitchells plain and while I was there I noticed two pitbulls a adult male an a female that could be a few months old . the house has tenants in who feed the dogs when they ca because the owners who are the landlords starve the dogs for days .the dogs aren't in a safe environment and I feel that this will result in attacking the tenants due to hunger. please could you act on this an ID love to remain anonymous. let me know if I could forward you the address .please and apparently they want to remove the female off the property to breed her when she's still so young . please get back to me on this .

Thank you
