Comments:	I called the owner to find out if he is available for us to collect the dogs for sterilization but he told me he surrendered the dogs to AACL Epping, i then called AACL to confirm and they told me they have no record of the dogs or owner on there system, I then called the owner back to find out under what name he surrendered the dogs and then he got upset with me saying what does that matter forget about AACL and why am I phoning him? I told him the reason why I called was to arrange for sterilization of the 2 dogs, he asked why should they be sterilized and I explained to him it's a City of Cape Town bylaw, he then told me that's nonsense. I decided to rather report the matter to Law Enforcement as I'm getting the impression the owner is trying to use a excuse saying he surrendered the dogs so that he doesn't need to sterilize them. Law enforcement ref:9116608279 There is no contraventions of the animals protection act 71 of 1962 and I am confident in closing the case as there is no further action to be taken therefore this case can now be closed.
