| Comments:       | I received a call from Nozi who work at Tah Bellville . She stated that the owner said that he will PTS the cat but it was not done by them. Inspector Philander then phoned and spoke to the owner who told him the cat appeared to be doing better and he is still treating the cat. He also said that he will go back to TAH in a weeks time and will make a decision at that time on the way forward with the cat |
