Importance: High

Good Day Inspector E. Graham.

Can you please give me a call as soon as you can please on 084 356 7711.

It is regarding the inspection you must come and do today, we are not ready.

Can we please maybe reschedule for some time next week, I want the house to be ready.

Please, from the bottom of my heart.

We are trying I promise.

Regarding the middle room of the house, what must I do?
Will I be penalised because they don't want to listen to me.
Must I go to the police station to get someone to remove them or must I get an attorney, because I don't want to loose my babies because of them.

Thank you.

- My daughter started working this week, so I will be getting the Carpet cleaner for the weekend.
- My sister in-law will bring more paint and cleaning stuff to fix the place up a little bit more .
- We have cleaned a lot excluding inside and outside this week and the past weekend .
