Comments:	I called the daughter Anneke and asked her about what they did over the weekend and if their brother told them what I told him. She said yes and that they bought a wet and dry vacuum to clean the carpets etc over the weekend. I explained further to her about cleaning the furniture and cabinets etc from gunk and she said they will. I told her I will come Wednesday to see how they improved with washing the place and she said she will inform her mother and ensure they clean before them as I do not want to push them to do a rushed job.
