Comments:	Upon arrival I met a plus minus 10year old who went into the house and came back out to tell me no grown-ups are home. I then asked him about Dvouda and whether she is home and he then told me that only small children are home and not the grown-ups. I was unsure whether if grown-ups were home. As calls also have been missed and not answered it appears like owner no longer wants to sterilise. I then reported unsterilised animal to LE with reference no. 9116746271. NFA.
