Subject: RE: OUTREACH - LANGA

Hi Carina

We scheduled the proactives to start again from the 6th of February to give Mobiles time to get the clinics going again and so that we had Siaybonga D back on dayshift to assist with the outreaches as he is the one that will do the RTO's.

We cannot do the 6th as that is already scheduled and planned for Bonteheuwel.

So the next Tuesday is the 13th.

I have updated the standard poster, if the Area Inspector wants to take some and out them up in the area.
