Comments:	New complaint received refer to INSP203699: From: anesia andrews <anesiaandrews0@gmail.com> Sent: Thursday, 25 July 2024 13:18 To: Inspectorate – Cape of Good Hope SPCA <inspectorate@spca-ct.co.za> Subject: Re: CoGH SPCA: There's also 3 dogs that are kept there day and night, to look after the pigs Good day. I would appreciate it if somebody could go out to the area where they were previously in Fisantekraal where they checked in on Pigs that were held in a broken down house. The people started putting up kraals a few months ago and as it starts getting more and more, I see that there are some animals that do not look very good. There are a few cows that according to me are very skinny, and then I saw a goat that was limping and seemed like she got hurt. I would appreciate it a lot as there are about more than 10 kraals that were illegally put up. Kind regards Mrs Andrews
