Comments:	At approximately 12h51, I contacted the owner, Igshaan, on 063 668 5955 to inform them that his dog, Roxy, had tested positive for Bilary. I explained to him that the quote for the treatment was between R1500 and R2000, and the down payment was R1000. If he cannot afford this, then he and his family should consider having the dog humanely Euthanised, but the dog can't come back home because she will get worse and eventually die. Igshaan then asked that I give him until 16h00 for a discussion with the family.
