Comments:	Stephen (control) came to me to inform me that the dog that was collected for sterilisation needs to have an amputation of the leg and that the owner said the dog can be euthanised after consulting with Janine (hospital reception) because the owner does not have funds for the operation. I confirmed this when I spoke the owner at approximately 15h15 who I called on 0742555096. This case may be closed as there is only one dog left on the property. See below reference from LE as reported for the steri contravention. Dear Customer. CCT Service Request 9116733274 for Vagrants has been logged . NFA.
