Comments: I could not get to this case as I was dealing with a lengthy case regarding a aggressive dog that needed to be removed from a property. I never had a catch pole in my vehicle and had to wait for inspector Lindo to come through to provide me with a catch pole and assist me with the removal of the animal in question. I also had some new cases I had to attend to as well however had to get back to base ASAP as the animal was becoming impatient at the back of my vehicle in the blaze of the heat .

As per discussion with my supervisor I agreed to attend this case first thing tomorrow morning in hopes I can meet with the owners as we still haven't had any response from anyone at the property .
