EMERGENCY!!!! Here are pics please don't show to residents with the green of my car visible they will know its me. Please help her. I saw her yesterday but not today. Pics from yesterday. Couldn't get the bad condition of her fur except for her tail and back, she is very restless I think in pain and she can't eat or drink at all I think her condition is an emergency!!! If you use the pics please edit out the green visible of my car.
