Subject: Escaped cat - INSP194927

Hi Emma,

Kindly refer to INSP194927

The cat was collected for Steri, but apparently escaped, as per Andisile's note.

Do we know where this happened, is he setting up traps?

Clodeen will need to call the owner to inform them of this but would need to advise them of what we are doing to get their cat back.

Kind regards,

Carina Bodenstein
