General Report Comments: On my arrival, I have met with a woman who introduced herself as Coleen Clayton, cellphone 082 422 1995, 230869. She allowed me onto the property, after I told her the nature of the complaint,

I have observed two Rottweilers,
Scout, he is 2 years black and tan and
Zues she is 3 years old, both dogs are not sterilized. And they were roaming freely inside the property.

According to Collen the male dog attacked someone last week Tuesday.

Both dogs appeared to be in a fair condition, they had a shelter that appeared to be adequate against the elements and they also have an access into the garage
There was drinkable water provided to the dogs.

As I found two dogs and there was a shelter provided to the dogs, I was convinced that I was at the wrong house,
Then I went out of the property call the complainant, that was approximately 12h21, the given cellphone went straight to voicemail, I will request Maggie to send an sms requesting the correct address.
