General Report Comments: Upon arrival I met with Lekayla. I explained my reason for being there. She immediately told me that they've been trying to call the SPCA for a while to surrender the dogs.

She told me that there are two dogs and they belong to both her and her cousin.

The black dog was tethered to a pole with a short rope and chain and the other dog was loose. They had no shelter, water and the yard is dirty.

I issued a warning both Lekayla and Clinton a warning for neglecting the dogs.
