General Report Comments: Upon arrival, the owner granted me access. I observed two dogs on the property. One was on a running chain of adequate dimensions and the other tan dog was on a short static chain.

Both dogs appear to be in good condition. There is adequate shelter, water and a clean living environment.

I issued a notice to put the tan dog on a running chain within 7 days and provided a pamphlet and also that the option to surrender is available.

Owner had agreed to have both dogs sterilized. I explained that it will only be done next year. Please can sterilization be arranged for the new year.
