Comments, if any:

Upon my arrival at the property I met with the owner named shanaaz who allowed me access on to the property where I could do my inspection.

Upon my inspection I observed the cat who is free roaming, the cat has good body condition, water and shelter is available and the living environment is clean.

I the addressed the concern with shanaaz and her son of which the little boy told me he did not intentionally kick the cat, he explained they were playing soccer outside and the ball was kicked up and then landed on the cat.

I spoke to the boy and educated him with his mother.

I issued a warning stating in future ensure the safety of animals when playing outside.

Maggie to arrange for sterilization of the cat
