General Report Comments: On my arrival, I have observed more than 9 dogs and chickens, it also looked like there is also a horse I saw the horse feed, I have knocked and shouted no one came out, the area is informal settlement,

I felt like I will need the Law Enforcement officers to watch the situation, and they also need to issue notice to comply as it looked like most of the dogs are not sterilized.

I left without issuing any warning or notice.

I have informed Rudy, possibly will be doing it tomorrow, if the Law Enforcement officer are free.
