FINDINGS

Confinement of animal/s: Free roaming - in property

Adequate space: Yes

Clean living environment: Yes

Water available: Yes

Adequate shelter available: Yes

Animal/s in good condition: Yes

Veterinary problems / health concerns: No

Upon arrival I met with the owner Tasneem. She granted me access. I'm not sure whether she was excited to see me or if she was nervous.

She took me through her entire house hold to show me how much space their Bull Mastiff Jesse has.

The dog is in good condition, with access to adequate shelter, water and a clean living environment. This dog better taken care of than the humans on the property.

No further action required.
