Subject: Puppy on short chain at C53, Redhill

Hi

This puppy arrived in Redhill about 3 months ago. It has been kept on a short chain ever since. We put in a running chain a few weeks ago but the owner removed it immediately and put it back on a short chain.

Every time we go to check there is no water and no food and the puppy is always really hungry.

I have spoken to the owner who says the puppy needs to be on a chain in case someone steals it. It is a really gentle dog and I doubt would wander.

Please could you send someone to speak to the owner. I am happy to reset up a running chain if he will just allow it.

Thanks,
