Comments, if any:

See note from Mark Levandal below because he assisted with this follow-up.

The owner of "Stompie" has since been relocated to the new Dido Valley area and no longer resides in Redhill Informal Settlement.

It's believed that the dog has subsequently died, too.

I've tried to call Alexandra (Redhill Animal Rescue), who knows almost all the dogs here, but to no avail. Will try again

PS: I could not find this case on Welfare Tracker so that is why I put a note on it using JF - I am not sure if Mark L already put a note on it.

Follow-up: 13 December 2024.
