Comments:	I called the complainant and managed to get hold of her. She informed me that the house we are looking for is on the C/O Palm Avenue and Aspen Close. It is facebrick house with a wooden belcony and there is a white canopy on the belcony as well. We need to do an inspection here because the complainant said the dogs fight frequently and the owner does not know how to get them apart so they throw it with stones. I have also attached a screenshot of the house.
