Please describe the concern you have

I was on my way to Tijger Animal Hospital. When I turned into Kontiki Avenue where TAH is situated, a white whippet was in the road. It had a collar on. I stopped to pick it up. I was severely malnourished and scared. As I approached it a man called the dog and chased into his yard. The dog is definitely not in a good condition physically and psychologically. Please visit the house and see for yourselves. Thank you.
