Min age to air travel	☐	☒	I am not sure if there is a minimum age requirement <i>If applicable</i> ...

Photos taken: Yes Warning Issued: No Warning Number: _____

Comments and action taken by Inspector:

I confirmed with my Supervisor that we cannot enforce water for day old chicks. I made the guy place the boxes on the bird shelving for better ventilation. Each box is split into 4 compartments which each compartment containing approximately 25 chicks. So each box contains about 100 chicks.
