General comments

Upon inspection, i met with Moin. He only sell fish. The fish tanks were clean. The fish tanks were big enough for the amount of fish housed inside each one. The tanks had covers. Environmental enrichment was provided in the tanks. The lights get switched off at night. The fish get fed 2-3 times a day. No dead fish was observed. No bullying was observed. All the fish appeared in a fair condition

Was a warning issued? No

Is a follow up necessary No
