Comments, if any:

Upon arrival, myself and Inspector Lwazi Ntungele of Cape of Good Hope SPCA knocked and shouted but there was no answer at the property. We observed the dogs in question, still in fair body condition and free roaming on the property. The area was clean now, and the water bucket was visible with potable water in it. The shelters at the back were still deemed adequate.
Therefore, the owner complied with the issue observed previously and thus the case can be closed, NFA
