Upon arrival, myself and Inspector Lwazi Ntungele from the Cape of Good Hope SPCA knocked and shouted at the property but there was no answer at the property. We observed the 2 dogs in question, both in fair body condition and free roaming on the property. The dogs had access to shelter but it did not appear adequate, and the dogs had access to water and a clean living environment. We will return on Monday to see if we can get the owner and to properly inspect the shelter.
